

# The Royal School, Armagh

School Development Plan

2019-2022

*'For the Encrease of Learning and Good Manners'*

(Letter Patent of Charles I, December 1627)

## SDP Requirement 1: A statement and evaluation of ethos

### Statement

The Royal School, Armagh is an historic school; it is coeducational, academically selective, socially inclusive, welcoming and caters for day and boarding pupils from the age of 3 to 19. It seeks to facilitate learning for all and encourage all pupils to realise their potential and develop their character. It is proud of its grammar school heritage and believes in academic excellence for staff and pupils alike. True to its Christian foundation it encourages a spirit of respect and cooperation and seeks to support those who are less fortunate, locally and internationally. Pupils are encouraged to contribute to school and community life. Flowing from and contributing to the school ethos are the Mission Statement and the Letters Patent\* of Charles I. To promote its ethos and mission, the school has identified eight core aims. These various statements are set before parents, pupils, staff and the wider community at school events, on the website and in school publicity. The Mission Statement is displayed prominently in the school where visitors and pupils can see it regularly. The school's ethos is focussed on the needs of each child, promoting high quality learning and teaching, developing effective leadership within school and engaging the school as a society stakeholder with the wider community. Staff are familiar with the moral purpose promoted by the GTCNI Competences which are used in evaluative practice and at School Development Days. In keeping with the school's ethos the Senior Leadership Team seeks to operate an open door policy enabling routine access for staff, parents and pupils.

#### **Royal School, Armagh: Mission Statement**

*"The Royal School Armagh aims to provide its pupils with an education which in its wholeness will enable them to achieve their full potential in academic, social, moral and spiritual terms. The values of the School, both implicitly and explicitly, reflect and are informed by the reformed tradition of the Christian faith. The School warmly welcomes the presence of pupils and staff of other Christian traditions, other world faiths and those with no religious convictions".*

**SDP Requirement 2a: A summary and evaluation, including through the use of performance and other data, of the school's strategies for learning, teaching, assessment, and the raising of standards of attainment among all pupils, in particular in communication, using mathematics and using ICT**

**Summary**

At Key Stage 3 pupils study a broad and balanced curriculum consisting of: Art and Design, Biology, Chemistry, Citizenship, Drama, Employability, English, French, Games, Geography, History, Home Economics, Information Technology, Mathematics, Music, Personal Development, Physical Education, Physics, Religious Studies, Spanish and Technology and Design.

At Key Stage 4 the great majority of pupils presently study nine GCSE subjects. Pupils entering Key Stage 4 have the opportunity, with their parent/guardian, to consider their preferred subject choices and pathway with careers staff in the Spring of Year 10.

Based on pupil attainment data some pupils have an option to study 8 GCSE subjects. In this option more time is allocated to core skills of Literacy and Numeracy. Some pupils may be facilitated in studying more than 9 subjects depending on ability and motivation.

The following subjects are offered at present to GCSE Level: Additional Mathematics, Agriculture and Land Use, Art and Design, Biology, Business Studies, Chemistry, Digital Technology, English Language, English Literature, Food and Nutrition, French, Further Mathematics, Geography, History, Home Economics, Mathematics, Music, Physical Education, Physics, Psychology, Religious Studies, Spanish, Technology and Design.

A broadly based Advanced Level GCE (or equivalent) programme is offered in Sixth Form with the aim of preparing students for entry to the Universities and courses of their choice. Pupils of outstanding ability relative to their peers are encouraged to make Oxbridge applications and supported through this process. The school has recently revised its post 16 admissions process and continues to look at post 16 provision in order to provide pathways for the maximum number of pupils.

Examination subjects presently offered at GCE AS and A2 Levels include:

**Evaluation**

- Positive 2014 ETI report & successful SSI in 2017
- % Departments above NI average at GCSE
- CAT data used to baseline pupils in Years 8 and 11.
- Entitlement Framework (EF) audit evidences courses
- Free School Meals is a live issue for pastoral team(FSM) engagement and performance data
- Use of Performance Review & Staff Development (PRSD) menu with outcomes to identify training needs and evidence from lesson observations
- Use of Inspection & Self Evaluation Framework (ISEF) for ongoing whole school evaluation
- Use of School Development Days (SDDs) & Teacher Professional Learning (TPL) to promote the priorities of the School Development Plan SDP
- Assessment for Learning (AfL) strategies in use
- Senior staff member role for Beginning Teachers (BT) & Early Professional Development (EPD) induction & support
- Pupil Mentoring/Paired reading (Sixth Form pupils trained for these roles)
- Departmental Action Plans based on pupil outcomes in examinations

Year 13 pupils may study up to four, and occasionally five, AS Levels selected from those available and they can also access non-examination Physical Education and Careers Education.

Pupils sit external AS Level examinations at the end of Year 13 and in Year 14 pupils continue to study at least three subjects at A2 Level.

At present the school follows specifications offered mainly by the Awarding Body, CCEA at GCSE and Advanced Level GCE. BTec qualifications are awarded by Pearson. The specifications are regularly reviewed with the aim of maximising the grades achieved by pupils. The review of the appropriateness of exam boards is ongoing in light of the growing disparity between the character of examinations in Northern Ireland and Great Britain.

**SDP Requirement 2b:** A summary and evaluation, including through the use of performance and other data, of the school's strategies for *providing for the special, additional or other individual educational needs of pupils*

<p><b><u>Summary</u></b></p> <p>Children with additional needs and those with statements of Special Educational Need (SEN) are catered for through the work of the Special Educational Needs Coordinator (SENCo), specialist classroom and general assistants, and the engagement of all teachers through the provision of Individual Education Plans (IEPs).</p> <p>The school has a well trained SENCo located in an accessible, private, office. The SENCo works closely with staff in establishing and implementing IEPs. The SENCo also works in close liaison with the Educational Psychologist, Behaviour Support Team (BST), parents and appropriate outside agencies and is a member of the SLT, enabling her to update them on good practice and specific school needs or developments. The SENCo provides training for staff on at least an annual basis and works with staff in identifying and meeting training needs. Further information about the special needs provision and the school's SEN Policy is available upon contacting the SENCo. The school constantly reviews and evaluates the range of accreditation opportunities for special educational needs pupils, in order to improve the options and pathways available to them on leaving school. The majority of pupils with SEN progress to Sixth Form and thereafter onto their chosen university pathway.</p> <p>The SENCo is leading staff in preparing for the introduction of new SEN legislation.</p> <p>In the Royal School a significant part of our provision for the special, additional or individual needs of the pupils is a varied stable of extra curricular activities. Staff are encouraged to participate in extra curricular activities as it helps pastoral care, improves the sense of community, contributes to the holistic development of pupils and promotes positive behaviour.</p>	<p><b><u>Evaluation</u></b></p> <ul style="list-style-type: none"> <li>• Purchase of assistive technologies</li> <li>• Separate office accommodation for SENCo</li> <li>• Increase in testing by SENCo</li> <li>• Correspondence from SENCo</li> <li>• SENCo input to staff briefing</li> <li>• Training records of SENCo and other staff</li> <li>• SENCo and headmaster attend training preparing for new legislation</li> <li>• Engagement in activities for Gifted &amp; Talented pupils</li> <li>• Development of new IEP structure</li> <li>• Facilitating elite sports people to attend events</li> <li>• Use of SEN Audit tool</li> </ul> <p><b><u>Possible Future action</u></b></p> <ul style="list-style-type: none"> <li>• Developing more G&amp;T provision</li> <li>• Explore new ways of honouring or recognising conspicuous achievement by pupils</li> </ul>

**SDP Requirement 2c: A summary and evaluation, including through the use of performance and other data, of the school's strategies for *promoting the health and well being, child protection, attendance, good behaviour and discipline of pupils***

<u>Summary</u>	<u>Evaluation</u>
<p><b>Pastoral Care</b></p> <p>The Royal School believes that effective learning can only happen when a young person is in a supportive, caring environment where he/she feels happy and secure. There is therefore a well-established pastoral care system and Personal Development programme in the school run by experienced, caring staff under the direction of a Vice-Principal Pastoral. The school also makes use of a professional Counsellor, presently contracted from Links Counselling.</p> <p>Each Year group has its own Head of Year and each class has a Form Tutor. Heads of Year and form tutors take a very close personal interest in all the pupils in their care and will respond to all concerns expressed by pupils or parents. The Head of Year will always make time to meet with parents and pupils (please refer to The Parents' Handbook). Form classes have pastoral time with their form tutors and each Year Group has its own assembly on a regular basis. Parents are encouraged to familiarize themselves with our Pastoral Care Policy and other related policies.</p> <p>The Pastoral Team meets regularly and the VP (Pastoral) meets weekly with the headmaster to discuss concerns and provide updates on progress.</p> <p>The Pastoral Care of pupils in the boarding department is a key concern. Pastoral information is shared as appropriate with boarding staff and regular and close contact maintained with boarding parents throughout the year. The Head of boarding meets weekly with the headmaster to discuss matters pertaining to boarding. The Head of Boarding also meets regularly with the Designated Teacher and VP Pastoral.</p> <p><b>Safeguarding &amp; Child Protection</b></p> <p>The school follows Department of Education procedures for safeguarding and child protection. There is a Designated Teacher and two Deputy Designated Teachers who have special responsibility for dealing with Safeguarding concerns.</p> <p>All members of staff have been trained and are aware of their responsibilities in this area. The school's Safeguarding and Child Protection Policy can be located</p>	<p>Minutes of meetings</p> <p>Counselling service</p> <p>Heads of Year have allocated (protected cover) time to deal with issues</p> <p>Use of external agencies (PSNI, Amazing Brains, Love for Life)</p> <p>First Aid training for staff</p> <p>Extensive range of extra curricular activities</p> <p>Attendance &amp; punctuality encouraged through assemblies etc.</p> <p>Use of SIMS (Lesson monitor)</p> <p>Healthy eating policy/ Anti bullying policy / Anti bullying Ambassador training</p> <p>Pupil assemblies</p> <p>Child Protection (CP) Training</p> <p>Prefect duties</p> <p>Pastoral Team meetings</p> <p>Safeguarding reports to BoG by Head of Safeguarding</p> <p>Access Control system in Boarding and Preparatory Department</p> <p>Pupil Related Matters is standing item on SLT Agenda</p>

on the School's Website. Together with the headmaster and a nominated member of the Board of Governors the Designated and Deputy Designated teachers comprise the Safeguarding Team. All members of staff, teaching and non-teaching are made aware that safeguarding is the responsibility of everyone. Safeguarding and Child Protection notice boards are prominent in each building. Safeguarding and Child Protection procedures and the availability of the School Counsellor are presented to pupils in assembly and Form Class time. Safeguarding procedures are available on the website and through printed material given to families.

#### **Anti-Bullying**

In keeping with its ethos the Royal School is opposed to bullying and will not tolerate it. All members of the school community have the right to work in a secure and caring environment. They equally bear the responsibility of contributing to the protection and maintenance of such an environment. Complaints about bullying type behaviour are dealt with firmly, fairly and promptly and in accordance with the Northern Ireland Anti Bullying Forum (NIABF) guidelines, whose agreed definition of bullying we use. The relevant school policies and the proactive nature of our pastoral care system are designed to minimise the occurrence of bullying. Pupils and parents are encouraged to familiarise themselves with the school's Anti-Bullying Policy. Should a pupil or parent have any concern about a bullying issue it is imperative that they inform the appropriate member of staff immediately.

#### **Personal Development**

In the Royal School we believe in the development of sound character and take a holistic approach to the development of our young people. We believe it is important to help each pupil develop in all five dimensions of life – physically, intellectually, emotionally, socially and spiritually. This is promoted through the Personal Development programme.

Personal Development provides the means for our young people to clarify their values and attitudes. It assists young people in the development of personal skills which in turn leads them to an acceptance of responsibility for themselves and for their actions. Personal Development is firmly rooted in the school ethos

Gradual expansion of Access Control System

<p>and the belief that all people have value in their own right, and that their feelings, opinions and actions are important, regardless of whether or not these correlate with those of others. Related to this the school emphasises the importance of tolerance of and respect for those with whom we disagree or differ.</p> <p>Within the delivery of Personal Development certain sensitive issues may require consideration, including relationships and sexuality.</p> <p>Relationships and sexuality is an important issue for many young people. In the delivery of the Relationships and Sexuality Education curriculum the school will advocate abstinence as the acceptable option for our young people. It is our aim to help our young people to develop an understanding of and a healthy attitude towards human sexuality and relationships, develop values and establish behaviour within a moral, spiritual and social framework. <i>(Please refer to the RSE Policy)</i></p> <p><b>Misuse of Substances</b> The Royal School is a caring, health promoting school which will not tolerate the use of illegal substances on its premises. The school recognises that drug misuse affects many communities in Northern Ireland, and therefore supports a pro-active programme to support pupils in making safe choices.</p> <p>The school endeavours to educate and inform young people about the risks, and to promote self-respect, self-reliance and self-discipline. This is done within our Personal Development programme and as part of the preventative curriculum by involving appropriate external agencies specialising in this field. The programme is matched to the age and maturity of the pupils involved. Where this fails, misuse will be handled firmly and in line with the relevant policies and Code of Conduct.</p> <p><b>Positive Behaviour and Discipline</b> The school aspires to create a community of good citizens who respect one another and where effective learning and teaching can occur. Inappropriate behaviour is therefore not accepted in school, on the way to school, during school outings or other activities.</p> <p>In the first instance, the school aims to promote positive behaviour by good teaching, by setting out clear expectations, role modelling good behaviour and fostering positive relationships between pupils and staff. Underpinning this is the Positive Behaviour Policy, which provides detailed guidance on the standards expected, and the sanctions available. These sanctions range from verbal reprimand through to giving extra work, various detentions, pupil support</p>

arrangements and, in the most serious cases, suspension.

Persistent misbehaviour may result in a range of strategies being applied. Examples of strategies employed could include the pupil being placed on the Special Needs Code of Practice, the setting up of an Individual Behaviour Plan, involvement of the Education Authority Behaviour Management Team.

In very serious cases permanent exclusion will be considered.

The Vice-Principal Pastoral, along with the heads of year, regularly monitor behaviour and the school makes every attempt to treat all pupils fairly within a policy which sets very high standards for everyone.

### **Attendance**

The school promotes high levels of punctuality and attendance. Parents are requested to encourage their children to attend school regularly and on time and are required to provide a reason for lateness and absence.

Text alerts will be sent to parents to inform them of persistent lateness and requesting a reason for absence.

### **Attendance (target for year)**

<b>13/14</b>	<b>14/15</b>	<b>15/16</b>	<b>16/17</b>	<b>17/18</b>	<b>18/19</b>
94	94	95	95	94	94(95)

### **Citizenship**

Since its foundation the school has encouraged good citizenship both in school and in the wider community. There is a well-established School Council with representatives from all Year groups. All pupils are encouraged to bring ideas and concerns to the School Council through their elected representatives. The Council members make representations to the Senior Leadership Team and consult with pupils. Good citizenship and hard work are rewarded through the School Reward System.

### **Uniform**

The school adheres strictly to its uniform policy (please see the Appearance Code). Uniform lists are issued to the parents of new pupils and are available from the School or on the school website. In choosing the Royal School it is expected that parents are fully aware of and fully support the high standards set for pupils in all aspects of school life including uniform.

It is expected that any pupil who chooses to attend The Royal School will follow the uniform policy properly and in its entirety. There can be no

<p>exceptions to this.</p> <p>The school uniform and the PE uniform is available in the School Shop; however, many requisites of the school uniform can be purchased on the high street such as socks, trousers and shirts.</p>

**SDP Requirement 2d: A summary and evaluation, including through the use of performance and other data, of the school's strategies for *providing for the professional development of staff***

**Summary**

All members of staff are encouraged to avail of professional development opportunities and to indicate training needs arising out of their own reflection on the PRSD process. PRSD targets are linked to areas in the School Development Plan in order to ensure they contribute to school improvement. Where appropriate, members of staff are informed of professional development opportunities in the area of the curriculum they deliver or in other areas for which they hold responsibility. (The outcome of such training is then shared with relevant colleagues).

Training on matters relating to the professional development of the entire staff takes place in school during Baker Days (August) and School Development Days (SDDs). For the most part the School Development Days in any school year relate directly to the school's main priorities for that year, as outlined in the School Development Plan and in Departmental Action Plans. Colleagues are supported through applications for further study including the opportunities provided by the Education Authority.

Many staff are examiners and this is encouraged in order to broaden the subject experience of teachers, enhance capacity in departments and improve the preparation for examinations of pupils.

**Evaluation**

- Evidence from SDDs – photographs/ evaluations /agenda/ presentations
- PRSD menu
- INSET attended by staff & fed back to colleagues at CL / Head of Year & departmental meetings
- Developed staff response form after attending INSET
- SIMS Staff records

**Possible Future action**

- Continue with training on SDDs
- Use colleagues with 'special interests' to deliver training
- Develop resources for RSA 'in house' Staff Development Course

**SDP Requirement 2e: A summary and evaluation, including through the use of performance and other data, of the school's strategies for *managing the attendance and promoting the health and well being of staff***

**Summary**

On a day to day basis the school leadership attempts a preventative approach to staff stress. Early intervention to support staff encountering difficulties in dealing with underachievement are vital. Supportive accountability and the ethos of a 'no blame culture' are central to this.

Staff attendance is managed under the terms of the Teacher Attendance Procedure. The headmaster and Vice Principal (Curriculum) meet each day to review staff attendance that day and reasons for absence. The headmaster and bursar and the Executive Management Team (EMT) regularly discuss staff matters.

Attempts are made to give sufficient time for staff work in departments on Staff Development Days in a manner consistent with meeting the overall priorities of the school.

An attempt to give some time for marking is built into the invigilation timetable for the internal examinations. Care is taken to ensure that reporting deadlines are reasonable.

Staff wellbeing is now an agenda item at each meeting of the Senior Leadership Team to ensure that issues can be raised as a matter of course and discussed. The Senior Leadership Team operates an 'open door policy' to facilitate staff in bringing issues.

**Evaluation**

- Referrals made to OH as appropriate
- Staff committee considers wellbeing of staff
- End of term events for staff (brunch etc.)
- Return to work meetings
- Open door policy to access headmaster & VPs
- Staff wellbeing is standing item on SLT agenda
- VP Curriculum and headmaster discuss staff absence daily

**Possible Future action**

- Creation of Staff Wellbeing Group separate from Staffroom Committee
- Focus group with newly/ recently appointed staff to consider induction strategies
- Figures for staff absence made available to staff
- Reports on attendance to BoG

**SDP Requirement 2f: A summary and evaluation**, including through the use of performance and other data, of the school's strategies for *promoting links with parents of pupils at the school and the local community including, other schools, the business community and voluntary and statutory bodies*

**Summary**

The Royal School strives to work collaboratively with parents/guardians and the wider community in the educational partnership. Improvement of communication between parents/guardians, the wider community and the school is always important.

Parents/guardians who have any concern about any aspect of their child's education are invited to make contact with the school through the channels stated in the Parent Handbook. The complaints procedure is outlined on the school website.

From time to time Heads of Year or Heads of Department may also contact parents/guardians about matters or concerns related to the individual child.

At the end of each term parents receive information from the school in respect of events planned for the following term etc. The School's website also provides information for parents including 'latest news' items and School Policies and Procedures.

A text service is employed for urgent communication and/ or reminders of important school events. A school app is being rolled out to reduce postage costs, ensure efficient delivery and improve the quality of school – home communication. Information is also placed on the school Facebook page or tweeted.

The school has links with several organisations in the voluntary sector. There are strong and developing links with local sports teams, local government and other schools in the Area Learning Community. Local entrepreneurs are invited in to school and links developed for work experience.

The School works within the Armagh Area Learning Community (AALC) and particularly strong collaborative arrangements exist with St Patrick's Grammar School, St Catherine's College, the City of Armagh High School.

**Evaluation**

- Amazing Brains Parents' Seminar
- Development of Induction/ information evenings
- Interviews with parents about pupil underachievement
- Open door policy operates for VPs & headmaster
- Headmaster makes himself available to meet with parents as appropriate
- Regular meetings of Heads of Year
- Outreach meetings with Primary Schools
- Use of texting system
- School buildings and/or grounds used extensively by 'outside' groups & wider community
- Links with local hockey and rugby clubs

**Future action**

- Development of RSA app communication with parents
- Evaluate success of app
- Follow up parental non attendance at Parents' Meetings

There are numerous sponsorship arrangements with local businesses throughout the year in various areas of school life including sport and art.

**SDP Requirement 2g: A summary and evaluation, including through the use of performance and other data, of the school's strategies for *promoting the effective use of ICT, including its use to support learning and teaching, continuing professional development and school leadership and management***

### Summary

#### **Promoting the effective use of ICT**

ICT is promoted as a Learning and Teaching tool being integrated into lessons whenever appropriate. Skills in the use of ICT are essential criteria in each recruitment process. Subject departments have developed a presence on the Virtual Learning Environment (VLE), this will be taken forward during the life of this plan.

The body of the plan provides detail about the development of ICT by and for pupils always in a manner which has been consulted upon and which is consistent with promoting high quality Learning and Teaching.

Some staff have received further training in Coding and a very successful App development team has been formed which has received the full support of school.

ICT is also used as a management tool in processing pupil data to identify achievement, promote individual improvement, and the effective deployment of resources, including staff.

ICT is used where appropriate for communication. Staff training has been offered on email etiquette and protecting professional identity.

### Evaluation

- Use of SIMS
- Creation of ICT Core Group
- ICT coordinator regularly discusses ICT needs at SLT
- Significant investment in equipment
- Development of use of VLE
- Development of coding/ computing as extracurricular activity
- Greater use of SIMS for behaviour management & lesson monitor

### Future action

- Each department develops its VLE presence
- Emphasis on use of technology in teaching
- Granting of open access to pupils
- Promotion of BYOD among Sixth Form

**SDP Requirement 3b: An assessment of the planned use of the school's projected resources during the period covered by the plan in support of actions to bring about improvements in standards.**

**Assessment**

The following pages contain the main body of the School Development Plan which demonstrates how opportunities will be developed, challenges responded to and school improvement attained.

These priorities have been identified through a process which begins with review of the outgoing development plan with members of the SLT and other stakeholders. A thorough self-evaluation process using TTI Quality Indicators and more recently ISAEF has been undertaken, led by the SLT involving key stakeholders. The feedback from numerous 'stand alone' evaluations or surveys conducted throughout the year is also considered.

Specifically, the school has four key motivations throughout this Development Plan:

- 1. Securing the best possible educational outcomes for each pupil**
- 2. Ensuring the best possible learning and teaching opportunities for each pupil**
- 3. Providing the best possible advice, care, support and guidance for each pupil**
- 4. Engaging creatively with the communities our pupils come from**

The areas of focus are categorised under the four headings from the department's publication Every School a Good School:

- 1. Child-Centred Provision**
- 2. High Quality Teaching and Learning**
- 3. Effective Leadership**
- 4. A School Connected to its Local Community**

We are a moderately large school with 46 teachers and 20 support staff (not including cleaning, catering and boarding colleagues). Members of staff are well-qualified and experienced in the area of the curriculum which they deliver or support.

The N I curriculum is delivered at Key Stage 3 and, at both Key Stage 4 and post-16, an extensive curriculum comprises academic and increasingly vocational qualifications which satisfy the needs of all children in our school. We continue to review the timetable structure and curriculum offering to ensure it is and remains, appropriate.

It should be noted that what follows is a working document and, as such, may be subject to modification. It is imperative to maintain this level of flexibility as there may be a requirement to respond to change from within or out with the school and to new initiatives imposed from outside.

**SDP Requirement 4:** *An assessment of* the extent to which the school has met its key targets, or the progress that has been made towards these key targets in any school development plan which a school development plan supersedes or revises

### High Quality Teaching and Learning 2018/19

Planned Outcome	Success Criteria	Actions	Evaluation of Progress
Embed new Learning & Teaching Policy	Staff will be familiar with the new policy and it will inform classroom practise	Introduce at SDD  Discuss at HoD meetings  Evaluate levels of penetration / engagement of staff	There was moderate progress here. The policy is comprehensive but in conversations many staff did not profess a sense of ownership of it  A disconnect was identified between the policy and classroom practise  Evidence suggests it is not guiding what teachers do day to day
Continued use of ETI Lesson Observation sheet & embed lesson planning template	HoDs etc. will make regular use of ETI pro forma. There will be a common lesson planning template used across the school by teaching staff  This will help promote minimum standards	HoDs use them when observing colleagues  Headmaster uses it when observing newly appointed colleagues and others  Discussion of it at HoD meetings and in departmental meetings	The headmaster made good use of the ETI pro forma and used it for feedback in observations with recently appointed teachers  It was also used in observations for teachers in BT or EPD. They got copies to include in their files  No progress was made on embedding the lesson planning template. In observations it was noted there was no consistency of approach in this regard  A clear lead from SLT is required with respect to this  Industrial Action short of Strike (ASOS) reduced the opportunities for HoDs to use this
Develop literacy & numeracy	All staff aware of the relevant policies and pursue a numeracy & literacy focus	Introduced at Baker Days  Updates provided at SDDs  Arrangements put in place to evaluate engagement at departmental level	Good progress here. A revised policy was produced and introduced to staff.  Updates on the implementation of the policy were provided to SLT and on SDDs.  Necessary to conduct an audit of departmental engagement.

Develop VLE	<p>More departments will create VLE areas and pupils will become familiar with their use</p> <p>This will be used to develop the concept of a flipped classroom</p>	<p>Introduced at Baker Day</p> <p>Time given at SDDs to develop resources</p> <p>Rolled out in departments</p> <p>Good practice shared by colleagues at SDDs</p>	<p>There was moderate progress here. Increasingly departments are developing VLEs but there is a range of formats and levels of engagement</p> <p>It is clear that time needs to be devoted to this via staff training on SDDs</p> <p>This needs to be carried into the next SDP</p>
Create mobile Technology Group	<p>Staff group will consider the current use of these technologies in school and make recommendations as to what should be used and how</p> <p>Pupils will become more acquainted with the use of mobile devices in learning</p>	<p>Introduce at SDD</p> <p>Create group and hold meetings</p> <p>Conduct research</p> <p>Prepare proposals</p> <p>Share good practice at HoD meetings</p> <p>Share good practice at SDDs</p>	<p>There was no progress here</p> <p>No one led on promoting this priority</p> <p>This needs to be included as part of the next SDP (possibly as part of the work of a more wide ranging L&amp;T group)</p>
Introduce results analysis meetings	<p>All HoDs will meet with the headmaster to review results</p> <p>This will promote accountability and improvement</p>	<p>Schedule individual meetings with HoDs, headmaster and VP curriculum</p> <p>Discuss results in external examinations</p> <p>Offer opportunity to discuss any other issue in the department – staffing, resources etc.</p>	<p>There was good progress here</p> <p>Meetings arranged for the headmaster and VP Curriculum to meet with each HoD. They made a presentation on their results, identifying and talking about strengths and weaknesses in pupil performance within their department</p> <p>There was also an opportunity to discuss wider issue and to agree specific targets which the departments could pursue</p> <p>Worked well but need developed with a standard pro forma for HoDs to improve accountability</p>

## Effective Leadership & Management 2018/19

Planned Outcome	Success Criteria	Actions	Evaluation of Progress
Review timetable, rooming and resource allocation	There will be a more efficient use of school resources. The timetable will more appropriately meet the needs of pupils	Discuss at EMT & SLT  AMA to lead review with PWA  Prepare proposals for EMT & SLT  SLT reaches consensus on way forward	Some limited progress here. Much more needs to be done  There is an enhanced awareness among SLT that there is a need to more adequately steer provision, including the requirements of pupils at A Level  Retain for next SDP
Results analysis meetings for new subjects	The leaders of new subjects will meet with SLT to discuss progress and outcomes  This will identify issues for development	Ensure leaders of new subjects are aware of all requirements  Ensure leaders of new subjects have regular access to SLT  Hold regular meetings – discuss openly issues, potential problems and possible routes forward	There was good progress here. Those leading the ‘new’ subjects met with the headmaster and VP Curriculum  There were ongoing meetings between the VP and relevant staff throughout the year  Issues which arose were dealt with quickly and collaboratively and consequently the pupil outcomes were good
Conduct departmental evaluations	Departments have more autonomy in evaluating practice & development needs	Introduce at SDD  Produce departmental Evaluation pro forma  Provide time for departments to collaboratively complete evaluation and discuss results  Process results for SLT	This did not happen  This should remain a medium term objective
Appoint BTec coordinator	It will be clear that RSA is committed to BTec subjects  BTec subjects will have someone to	Agree criteria & Job Description  Advertise post  Interview & appoint	There was good progress here. Open recruitment resulted in the appointment of someone suitably qualified  There have been ongoing meetings between the VP Curriculum & BTec coordinator to anticipate issues and plan for success

	support their development and champion them with pupils and staff.	Ensure regular meetings between VP Curriculum and BTec coordinator to ensure progress in 'bedding in' new BTec subjects.	
Develop system of rewards & behaviour points	Positive behaviour will be rewarded and pupil engagement will develop as pupils see a sense of fairness	<p>Introduce to staff at SDD</p> <p>Identify the range of positive behaviours to be rewarded</p> <p>Look for good practice in other schools</p> <p>Pilot system</p> <p>Evaluate pilot</p>	<p>There was moderate progress here</p> <p>The issue was discussed at Pastoral Team meetings. A sharing good practice visit was held to Cookstown High School, Co. Tyrone by the VP Pastoral and a member of the SLT</p> <p>In the final term a pilot was rolled out to staff for a new model of recording and rewarding positive behaviour</p>
Implement GDPR	All staff will be aware of GDPR regulations and act in compliance	<p>Bursar to lead training with all staff</p> <p>Produce relevant policy &amp; procedures</p> <p>Ensure all staff are trained &amp; aware of policies</p> <p>Look for ways to conduct an evaluation of effectiveness</p>	<p>Good progress here. All staff have been trained. GDPR is talked about frequently indicating a good awareness</p> <p>Staff are aware of the importance of peoples' data</p> <p>This issue needs to be constantly brought before staff, particularly as new colleagues arrive</p>

## Child Centred Provision 2018/19

Planned Outcome	Success Criteria	Actions	Evaluation of Progress
Examination of gender bias	The gap in attainment between boys and girls attainment will continue to diminish	<p>Analysis of GCSE &amp; A Level results</p> <p>Identification of 'issues' affecting attainment</p> <p>Use of pupil voice to assess boy's opinions</p> <p>Identify results disparity at departmental level</p> <p>Suggestions of strategies shared with departments</p>	<p>There was some progress here – the gender gap in examination outcomes narrowed</p> <p>Groups of pupils were consulted</p> <p>The results analysis meetings with HoDs did not specifically look at gender disparity</p> <p>The pro forma for results analysis needs to look at gender outcomes</p>
Introduce new courses at KS5	As part of our strategy to broaden access to and attainment in sixth form new courses and pathways will be created	<p>Revise points entry tariff for Sixth Form</p> <p>Identify new courses</p> <p>Ensure outreach to local 11-16 schools so they know of provision</p> <p>Monitor new intake to ensure they settle well and integrate</p> <p>Hold occasional consultation meetings to gauge their opinion on induction</p>	<p>There was good progress here</p> <p>A number of new courses were introduced and a new Sixth Form pathway introduced to facilitate pupils from local schools which did not have sixth form provision</p> <p>A special open afternoon was arranged for a wide range of pupils from other schools</p> <p>A bespoke parents' information evening was held for pupils new to school in Sixth Form</p> <p>Success in these courses needs to be carefully evaluated to ensure effectiveness</p> <p>Need to ensure that pupils are entered on appropriate pathways complimentary to GCSE attainment</p>
Develop provision for EAL pupils	Pupils whose English is weak are identified early and they access appropriate support course to help them access general	<p>Identify pupils with weaker English at the interview stage</p> <p>Pass information to English department</p> <p>Ensure pupils are tested early in the year</p> <p>Provide support courses through evening</p>	<p>There was a good level of progress here</p> <p>Pupils were identified at the interview stage and the information passed on to the English department</p> <p>Information was passed to the boarding department and appropriate provision sought</p>

	school curriculum	<p>classes in boarding</p> <p>Enable pupils to work towards a meaningful EAL qualification</p>	<p>Mrs O'Hare was engaged to teach an EAL class</p> <p>This can be improved upon by better choice of qualification to make it more meaningful</p> <p>Interview documentation should refer specifically to quality of English so it becomes a key consideration in admitting boarders</p>
Review tracking & reporting	The system will be revised to ensure it is more responsive to pupil needs and helps improve pupil outcomes	<p>Discuss at SLT</p> <p>Establish priorities for tracking – what is working well and what could be improved</p> <p>Consult pupils on processes</p> <p>Consult staff</p> <p>Revise processes and relaunch with pupils &amp; staff</p>	<p>This did not happen</p> <p>Developing tracking is an important aspect of the school's plans for pupil improvement and will be a continuing feature of the SDP</p>
Monitoring learning logs	Learning logs will be more effectively used to promote meta cognitive skills and help pupils achieve their potential	<p>Discuss at SLT</p> <p>Establish priorities for learning logs – what is working well and what could be improved</p> <p>Consult pupils on processes</p> <p>Consult staff</p> <p>Revise processes and relaunch with pupils &amp; staff</p>	<p>This did not happen.</p> <p>Developing the school's approach to meta cognition is an important aspect of the school's plans for pupil improvement and will be a continuing feature of the SDP</p>
Promote Growth Mindset	Pupils & staff will be familiar with Carol Dweck's work and approach and will increasingly adopt a Growth mindset approach	<p>Introduce at SDD</p> <p>Ensure staff are familiar with concept</p> <p>Incorporate in assemblies</p>	<p>This was marginally developed throughout the year through engagement with Amazing Brains</p> <p>Developing a Growth Mindset remains very important as a strategy to help pupils achieve their potential and will be included in a future SDP</p>

Develop CEIAG provision	Careers provision will be enhanced, with increased depth of engagement by pupils in KS4 & 5	<p>Review Y14 engagement with mock interview process and encourage greater participation</p> <p>Ensure parents are aware of what is offered</p> <p>Promote access to the new university prospectus library</p> <p>Increase the number of Year 12, 13 &amp; 14 students engaging in a beneficial work placement</p>	<p>There was reasonable progress here</p> <p>More pupils engaged in interview evening</p> <p>Excellent input from Old Armachians and parents to mock interviews</p> <p>Information was shared about prospectus library</p> <p>More pupils engaged in work experience in Y13 and 14</p> <p>There needs to be more focus on developing this among year 12 pupils</p>
Introduce right of appeal in Controlled Assessment	Staff, pupils and parents will understand this procedure which is part of the awarding bodies provisions for centre assessed material	<p>Prepare policy document in line with CCEA regulations</p> <p>Ensure HoDs are aware of it</p> <p>Advise pupils as appropriate</p>	<p>There was good progress here</p> <p>Every department was made aware of it</p> <p>There was widespread consultation at HoD level</p> <p>Parents and pupils were advised of the new procedure</p> <p>A policy was produced and implemented as appropriate</p>
Develop SEN provision		<p>Introduce at Baker Day</p> <p>SENCo to attend training throughout the year</p> <p>Provide relevant training for staff at SDDs</p> <p>Training on assistive technology delivered to HODs to be rolled out to all staff</p> <p>SENCo and classroom assistants to investigate models for improving the format of IEPS</p>	<p>There was good progress here particularly with regard to new format for IEPs</p> <p>The legislation re. new provisions did not progress into law due to the suspension of the legislative assembly</p> <p>Greater focus may need to be given to the assistive technologies in future</p>

## School Connected to its Community 2018/19

Planned Outcomes	Success Criteria	Actions	Evaluation of Progress
Develop Shared Education Partnership	Relations with partner schools will develop. There will be good reconciliation outcomes and also educational outcomes.	<p>SEP Coordinator to prepare Action Plan to be agreed by headmaster</p> <p>SEP Coordinator submits Action Plans to DE</p> <p>Participate in base line inspections as required</p> <p>Regular meetings with shared Ed Coordinators of partner schools</p> <p>Regular meetings of principals of partner schools</p> <p>Attendance at relevant training &amp; info. seminars</p>	<p>Very good progress</p> <p>There has been very positive engagement by the coordinators and the school principals who have a very close working relationship</p> <p>Pupil feedback has been positive</p> <p>A number of high profile events have taken place and community feedback has been positive</p> <p>Outside agencies have been well engaged and supportive of the partnership's activities</p>
Changes to reports to reflect new grading	<p>Reports reflect new GCSE grading.</p> <p>Parents etc. will be familiar with new grading.</p> <p>Pupils will be better equipped to work towards target grades with a better indication of their attainment.</p>	<p>Change report format to reflect changed grading</p> <p>Ensure that parents &amp; other stakeholders are aware of changes to grading – through written communication and at parents meetings etc.</p>	<p>Good progress here</p> <p>Pupils and parents were advised of the changes</p> <p>Report format was changed</p>
Comprehensive evaluation of school via Kirkland Rowell survey	Stakeholders will have an opportunity to comment and we will have a good source of evaluative material.	<p>Agree process at SLT</p> <p>Establish sub group to bring forward proposals for questions</p> <p>Roll out to stakeholders via school media</p> <p>Arrange for pupils to complete the survey</p>	<p>This was excellent</p> <p>The material generated was positive but gave a number of areas which we can prioritise for future action</p> <p>Outcomes were shared with staff and governors</p> <p>Detailed discussion at SLT – created 'space' for 'big issues' in 19/20</p>

**General note on Requirement 4:** The SDP contained multiple priorities for 2018/19 some of which were largely administrative and less strategic. They were not categorised into the ESAGS headings as above. This is a distillation and rationalisation of the 'Strategic Goals' document for 2019/19. Future SDPs will endeavour to contain fewer and more strategic priorities in the interests of learners.

## SDP Requirement 5: An assessment of the challenges and opportunities facing the school

### Assessment

#### **Challenges and Opportunities facing the school**

In most regards challenges and opportunities are closely related. The financial climate in which schools work is challenging; financial constraints increase the difficulty in ensuring that staff are able to go out of school to access high quality CPD. Actions in the Development Plan to widen the input to CPD are intended to meet this challenge. Shrinking budget share also creates difficulties in providing a good range of extra and co-curricular opportunities and ensuring that we can maintain a broad and appropriate range of post 16 courses. Campaigns for the creation of Sixth Form provision at schools which hitherto had no sixth forms have created a negative climate and threaten the viability of provision more generally.

Ensuring that we can provide a curriculum which meets the needs of pupils across the academic spectrum remains a priority.

Demand for places in the Boarding Department remains healthy and the school will continue to develop accommodation and seek to explore opportunities as appropriate.

Relationships with the local community and other schools in the ALC are strong and strengthening.

The school remains oversubscribed and the academic ability of pupils is good. It is essential to ensure that these pupils are stimulated and challenged appropriately.

The school will continue pay regard to the Northern Ireland Skills Barometer and community opinion and work with partner institutions in the AALC and beyond to extend provision and build curricular links to ensure the best possible provision for our pupils and facilitate the maximum retention of pupils into Sixth Form.

## **SDP Requirement 6: The arrangements made by the Board of Governors to consult and take account of the views of pupils, parents, staff and others persons or bodies in the preparation of the plan**

### **Arrangements**

Consultations have been held with parents, pupils, staff and governors through the Kirkland Rowell Survey in March 2019. Another survey will be held in the final year of this plan. This plan was extensively consulted on through stakeholder meetings throughout May and June 2019. A draft version is placed on the school website and a text alert sent to parents advising them of its availability for consultation. A draft version of the plan is brought to the School Council for consultation.

There are structures in place for reviewing and evaluating progress in the School Development Plan, and Departmental Action Plans throughout the year. Members of the Leadership Team take responsibility for leadership in different areas of the plan. The Vice Principals and senior teachers work closely with staff in implementing priorities and ensuring accountability. All members of staff are expected to contribute to achieving the priorities and the planning of Heads of Department is central to the process.

A half yearly review of progress will be held by the Leadership Team (January 2017) after which a report on interim progress will be made to staff. Members of the SLT will liaise regularly with Curriculum Leaders to review progress. Targets in pupil attainment are reviewed annually in September. The plan will be reviewed at the end of the year at an all-day SLT Review and Planning Meeting in late May or early June.

### **Evaluation**

- Meetings with stakeholders
- Kirkland Rowell Survey of pupils, parents & staff
- Members of staff are often engaged in community activities or at events in the community. This is a good way to hear the community perspective
- Most governors, as members of the local community, are very accessible to parents

### **Possible Future action**

- More formal role for the School Council throughout the year

**SDP Requirement 7: Identification of the areas for development, which shall be informed by the school's self evaluation..**
