## ***ANTI-BULLYING POLICY***

*Reviewed: March 2023*

*To be reviewed: March 2026*

## **Section 1: Introduction**

At The Royal school we believe that the safeguarding of all our pupils is paramount, and that this policy supports our work in creating a secure and caring environment. We believe that everyone in our school community has a role to play in creating a safe, inclusive, and welcoming environment for all. We acknowledge that bullying type behaviour exists in all school communities and the wider society. Therefore, we seek to provide an open climate where pupils, staff and parents are free to talk, to address and support these behaviours. Our aim is to embed and develop a culture where bullying type behaviour is not tolerated.

The purpose of this policy is to define bullying type behaviour, outline roles and responsibilities, clarify the preventative curriculum, highlight processes for reporting, explain recording formats and depict effective responses to bullying type behaviour.

Bullying type concerns relating to school staff, other staff or parents is managed through our visitor's policy.

If you are unsatisfied with the school response regarding a bullying type concern, complaints should be managed in line with the school's complaints policy accessible on the school website.

## **Ethos and Values**

The Royal school is a voluntary grammar school whose ethos permeates the life of the school. We recognise the uniqueness of every pupil and celebrate the diversity of all the young people within our community.

- *We acknowledge the fundamental dignity of each person and aim to promote respect for self, for others, the school, the wider community, and the environment.*
- *We aim to create a safe, stable, and harmonious atmosphere within which the values of truth, trust, freedom, and responsibility are honoured.*
- *Within the context of a purposeful learning community, and recognising the uniqueness of everyone, we aim to offer a curriculum which enables every student to reach their full potential; academically, socially, and aesthetically.*
- *We endeavour to equip all pupils with the self-confidence and skills which will enable them to make informed and responsible choices in life and appreciate the value of the contribution they can make to society.*
- *We encourage parental support in promoting the ethos and aims of the school and in building up the life of the school community.*

## **Context**

This policy takes account of specific Legislation and Education Authority/Department of Education guidance (Appendix 1)

## **Section 2: What is Bullying Type Behaviour?**

The Addressing Bullying in Schools Act (NI) 2016 provides schools with a legal definition which must be used to assess all allegations and incidents reported.

Addressing Bullying in Schools Definition of “bullying”:
<p>(1) In this Act “bullying” includes (but is not limited to) the repeated use of—</p> <p>(a) any verbal, written or electronic communication,            (b) any other act, or            (c) any combination of those, by a pupil or a group of pupils against another pupil or group of pupils, with the intention of causing physical or emotional harm to that pupil or group of pupils.</p> <p>(2) For the purposes of subsection (1), “act” includes omission.</p>

Criteria for assessing allegations of bullying type behaviour are outlined below:

***Socially unacceptable behaviour becomes bullying type behaviour when, based on the information gathered, the criteria listed below have been met:***

Is the behaviour <b>T</b> argeted at a specific pupil or group of pupils?	Yes / No
Is the behaviour <b>R</b> epeated?	Yes / No
Is the behaviour <b>I</b> ntentional?	Yes / No
Is the behaviour causing <b>P</b> hysical or emotional harm?	Yes / No
Does the behaviour involve omission? (*may not always be present)	Yes / No
Does this incident meet the legal definition of bullying	Yes / No

The Legislation acknowledges that occasionally a **One-off Incident** will be considered as bullying type behaviour, pending the severity and significance of the incident, evidence of pre-meditation, significant level of physical/emotional impact on individual/s and the wider community. A one-off electronic communications, can constitute bullying type behaviour through repeated viewing and sharing of a post.

**Omission** must also be considered when addressing all bullying type concerns. This is where a pupil/s is or are deliberately left out, and where there is a wilful failure to include a pupil/s in a game or activity. Pupils don't have to be friends, but friendly.

**Imbalance of power** is not included within the legal definition (Act 2016) However, when **someone seen with lesser power**, is identified as an object of attention, attack or is

targeted, this factor must be considered to determine whether bullying type behaviour has occurred.

### **Socially Unacceptable Behaviour**

The following are examples of socially unacceptable behaviours, which, when repeated, targeted, intentional and harm causing, may be considered as bullying type behaviour:

<b>Verbal or Written acts</b>	<ul style="list-style-type: none"> <li>• saying mean and hurtful things to, or about, others</li> <li>• making fun of others</li> <li>• calling another pupil mean and hurtful names.</li> <li>• telling lies or spread false rumours about others.</li> <li>• try to make other pupils dislike another pupil/s</li> </ul>
<b>Physical Acts</b>	<ul style="list-style-type: none"> <li>• Hitting</li> <li>• kicking</li> <li>• pushing</li> <li>• shoving</li> <li>• material harm, such as taking/stealing money or possessions or causing damage to possessions</li> </ul>
<b>Omission (Exclusion)</b>	<ul style="list-style-type: none"> <li>• Leaving someone out of a game or activity</li> <li>• Refusing to include someone in group work</li> </ul>
<b>Electronic Acts</b>	<ul style="list-style-type: none"> <li>• Using online platforms or other electronic communication to carry out many of the written acts noted above.</li> <li>• Impersonating someone online to cause hurt.</li> <li>• Sharing images (eg. photographs or videos) online to embarrass someone</li> </ul>

*(The list is not exhaustive and there are other behaviours which may be considered socially unacceptable/bullying type behaviour)*

In determining 'harm' we define:

- **Emotional or psychological harm** as intentionally causing distress or anxiety by scaring, humiliating, or affecting adversely a pupil's self-esteem.
- **Physical harm** as intentionally hurting a pupil by causing injuries such as bruises, broken bones, burns or cuts.

*(Guidance from DE).*

### **DISCRETION:**

The 2016 Act requires schools to consider the following when assessing whether an incident/s meet the legal definition of bullying type behaviour:

- pupil/s capacity to understand the impact of their behaviour.
- developmental age
- Additional needs, SEN, behaviours displayed (diagnosed or undiagnosed e.g., SBEW, ASD, FASD, MLD etc.)
- Individual challenges e.g family circumstances, trauma ect
- Levels of resilience.

All behaviour is communication to be addressed through a child/young person lens, for both those displaying and experiencing socially unacceptable/bullying type behaviour, no label or blame will be put on any individual. We will address all incidents in a relational, solution focused manner aligned to Safeguarding and SEND.

**Methods & Motivations of Bullying Type Behaviour**

Individuals who display bullying type behaviour may have various methods and motives. Some examples are, but not limited to:

Methods	Motivations
<p><b>Methods:</b>  <b>Physical</b> (includes for example; jostling physical intimidation, interfering with personal property, punching/kicking)            Any other physical contact (which may include use of weapons)  <b>Verbal</b> (includes name calling, insults, jokes, threats, hurtful comments, spreading rumours)  <b>Social</b> (includes group manipulation, individual manipulation, controlling behaviour)  <b>Indirect</b> includes omission, isolation, refusal to work with/talk to/play with/help others)  <b>Electronic</b> (through technology such as mobile phones and internet)  <b>Written</b></p>	<p><b>Motivations:</b></p> <ul style="list-style-type: none"> <li>• Ability</li> <li>• Age</li> <li>• Appearance</li> <li>• Child Looked After (CLA)/Care experienced</li> <li>• Community background</li> <li>• Cultural</li> <li>• Disability</li> <li>• SEN</li> <li>• Family circumstances (pregnancy, marital status, young carer status)</li> <li>• Economic Status/FSM</li> <li>• Gender/Gender identity/Perceived Gender</li> <li>• Newcomer/Migrant Status</li> <li>• Peer relationship breakdown</li> <li>• Political affiliation/sectarianism</li> <li>• Pregnancy</li> <li>• Race</li> <li>• Religion</li> <li>• Sexual orientation</li> <li>• Other _____</li> </ul>

**Section 3: Preventative Measures**

Legislation reinforces the importance of preventative measures. In The Royal School we aim to create and maintain a safe learning environment. We will put measures in place to prevent, address and support bullying type behaviour within our school and wider community. There follows some of the key actions that will be taken forward, to creating a safe, relational, nurturing learning environment.

Examples of these include:

- Raising awareness and understanding of the positive behaviour expectations, as set out in the Positive Behaviour Policy.
- Promotion of addressing bullying type behaviours through the curriculum e.g. inclusion of age-appropriate material specific to individual subject areas related to socially acceptable, positive behaviour and inclusion.

- Addressing issues such as the various methods, motivations, signs, and symptoms of bullying type behaviour including how and why it can happen, through assemblies and personal development lessons.
- Involvement in meaningful and supportive shared education projects, supporting pupils to explore, understand and respond to difference, diversity, and equality.
- Through the preventative curriculum actively promote positive emotional health and wellbeing (e.g. mindfulness training).
- Engagement in key national and regional campaigns, e.g. Safer Internet Day, Good Relations Week.
- Development of effective strategies for pupil supervision outside the classroom, e.g. training for supervisors and provision of a variety of recreational options and designated areas to meet the needs of all pupils.
- Focused assemblies to raise awareness and promote understanding of key issues related to socially unacceptable and bullying type behaviour.
- Development of effective strategies for the management of unstructured times (e.g. break time, lunch)
- Provision and promotion of extra-curricular activities, aimed at supporting the development of effective peer support relationships and networks. For example, sporting activity, creative arts, leisure, and games.

Under the legislation, all schools must put measures in place, to prevent and address the display and experience of bullying type behaviour on the ***journey to and from school***. To this end, we in The Royal School aim to:

- Promote and develop a culture where our pupils take pride in our school and are viewed as ambassadors for The Royal School within the community. This includes regular reminders of the positive behaviour expectations of pupils whilst travelling to and from school.
- Empower all our pupils to challenge any socially unacceptable/bullying type behaviour among their peers, during the journey to and from school. This includes the implementation of peer monitoring systems on buses and for those walking.
- Continue to engage with transport providers (e.g. Translink, EA Transport, etc.) to ensure effective communication and the early identification of any concerns.
- Promote key addressing bullying messages and awareness of behaviour expectations of pupils amongst the local community, including information on how to raise any concerns with the school.
- Deploy staff to support the transition from school day to journey home (e.g. staff duty at school gate/bus stops, where appropriate)

The new legislation gives schools the authority to take steps to prevent and address **bullying type behaviour using electronic communication**, amongst registered pupils at any time during term. Where that behaviour is likely to have a detrimental effect on the pupil's education and social behavioural emotional well-being in school. We, in The Royal School, are committed to raising awareness of the impact of online bullying type behaviour and seek to support our pupils to make use of the internet in a safe, responsible, and respectful way. We aim to do this via our preventative approaches:

- Address key themes of online behaviour and risk through school assemblies and personal development classes.
- Engage with key statutory and voluntary sector agencies (e.g. C2k, PSNI, Public Health Agency, Safeguarding Board for NI e-Safety Forum) to support the promotion of key messages.
- Participate in annual Safer Internet Day and the promotion of key messages throughout the year.
- Develop and implement robust and appropriate policies in related areas (BYOD Policy, E-Safety and Acceptable Use of the Internet Policy, Filtering and Blocking Policy, Mobile Phone Policy.)

The Addressing Bullying Policy is one of several policies in the wider pastoral care and safeguarding suite of policies. As such, it is essential that these policies align and provide a consistent message. The measures set out here, to prevent bullying type behaviour using electronic communication, will also be included in the school's, Filtering and Blocking Policy, Mobile Phone Policy, E-Safety and Acceptable Use of the Internet Policy and BYOD Policies. Given the nature of technology, as constantly changing, and developing, we aim to monitor policies and make changes when necessary.

## **Section 4: Rights, Roles and Responsibilities**

We believe that all members of our school community have the right to a safe, supportive, learning environment. We all have a role and responsibility to prevent and address bullying type behaviour in any form. Everyone must work together as outlined in the table below:

## **Section 5: Statutory systems and processes for reporting, responding and recording.**

All concerns raised and/or allegations reported, by any member of the school community will be acted upon. There are several channels for raising a concern:

### **Pupils Reporting a Concern:**

Pupils may report bullying type concerns in the following ways:

- Verbally to a trusted adult, a teacher they get on well with, their form Tutors, Head of year or member of the pastoral team
- By writing a note To their Form Tutor or Head of Year
- By sending an email to their Head of Year or the Head of pastoral care

It should be noted that **ANY pupil** can raise a concern, not just the pupil who is experiencing the behaviour. Pupils should not view this as 'telling', the focus should be on 'getting help'. All pupils are encouraged to 'talk' if they have a concern about socially unacceptable/bullying type behaviour that they experience, display or witness.

### **Parents/Carers Reporting a Concern:**

Parents/carers may report bullying type concerns in the following ways:

- In the first instance, all bullying type concerns should be reported to the pupil's Head of Year.
- If dissatisfied with the response report to the Vice Principal (Pastoral)
- If you remain dissatisfied report to the Principal.
- Where the parent/carer remains unhappy the school's complaints policy and procedure should be followed. This policy is available on the school website, or by contacting the office.

While most bullying type concerns will come from pupils and their parents/carers, the school is open to receiving such reports from anyone within the school and wider community.

All reports of bullying type concerns received from pupils and/or parents/carers will be responded to in line with legislative processes as outlined in this policy. It must be noted that **no information about action taken in relation to a pupil can be disclosed to anyone other than the individual pupil and their parents/carers.**

**Responding to and Recording a Bullying Concern (Appendix 2, 3 & 4)** Concerns raised will be responded to using the **legislative flow chart** and will be assessed against the legal definition using the **Bullying Concern Assessment Form** part 1 and 2. If the legal definition and criteria are met, the school will proceed to part 3 of the Bullying Concern Assessment Form with supports and interventions. The effectiveness of the supports will be monitored through the completion of the Bullying Concern Assessment Form part 4.

If, however, on investigation, the incident reported does not meet the legal definition having completed the Bullying Concern Assessment Form part 1 and 2. Support will be implemented via the positive behaviour policy and the suite of pastoral, safeguarding and SEN policies.

Digital records of the Bullying Concern Assessment Form will be stored securely within the schools C2K folders. Access to these records will be restricted and only provided to those members of school staff with a legitimate need to have access. The Vice Principal (Pastoral) will have oversight of these records.

All records will be maintained in line with relevant data protection legislation and guidance and will be disposed of in line with the school's Retention and Disposal of Documents Policy. Collated information regarding incidents of bullying and alleged bullying behaviour will be used to inform the future development of anti-bullying policy and practice within the school.

The principal will report all bullying type incidents to the board of governors to support the ongoing review of preventative and responsive approaches. These reports will be anonymised and include general data. Board of Governors will only discuss specific pupils

involved in a case if a formal complaint has been forwarded in writing to the school by the parent.

### **Professional Development of Staff**

The school recognises the need for appropriate and adequate training for staff, including teaching and non-teaching school staff. The school is committed to:

- ensuring that staff are provided with appropriate opportunities for professional development as part of the school's ongoing CPD/PRSD provisions.
- noting the impact of the training given on both the policy and its procedures - e.g. any amendments made, inclusions added etc.
- ensuring that opportunities for safeguarding training are afforded to Governors and all staff, teaching, and non-teaching.

Staff CPD records will be kept and updated regularly.

### **Monitoring and Review of Policy**

It is the responsibility of the Board of Governors, in liaison with the principal, to monitor the effectiveness of the Addressing Bullying Policy. To this end, the Board of Governors will:

- maintain a standing item on the agenda - incidents of bullying type behaviour will be noted.
- identify trends and priorities for action.
- assess the effectiveness of strategies aimed at preventing bullying type behaviour.
- assess the effectiveness of strategies aimed at responding to bullying type behaviour.

It is a legal requirement that the Addressing Bullying Policy be reviewed at intervals of no less than four years and following any incident, which highlights the need for such a review. It must also be reviewed when directed to by the Department of Education following new guidance. As such, the Addressing Bullying Policy will be reviewed as required, in consultation with the school community, on or before **September 2025**

**Review date: September 2023**
